## VOLUNTEERING WITH REACHING OUT

There are so many opportunities to lend a hand with our community outreach programs. Whether it's donating desserts or gently-used clothing, or giving of your time and talents, we welcome your assistance! Visit the Reaching Out cabinets by the front doors in the narthex to leave your donations or to find materials to create. Check out the Anchor Weekly newsletter to find upcoming volunteer opportunities.

## ANCHOR HOUSE

LCHope, in partnership with Lutheran Family Services, Broomfield Housing Authority, Thrivent Financial, and Habitat for Humanity, created Anchor House, a non-profit organization that will build and operate an 8-studio apartment complex for emancipated foster youth.

## FOOD BANKS

*Lead: Marty Covey*

Weekly donations are collected and dropped off at North Denver Cares Food Pantry and Broomfield FISH, and are distributed to people in need throughout the year.

## COMMUNITY DONATIONS
